

PINNACLE GOLF CLUB

the newly discovered classic

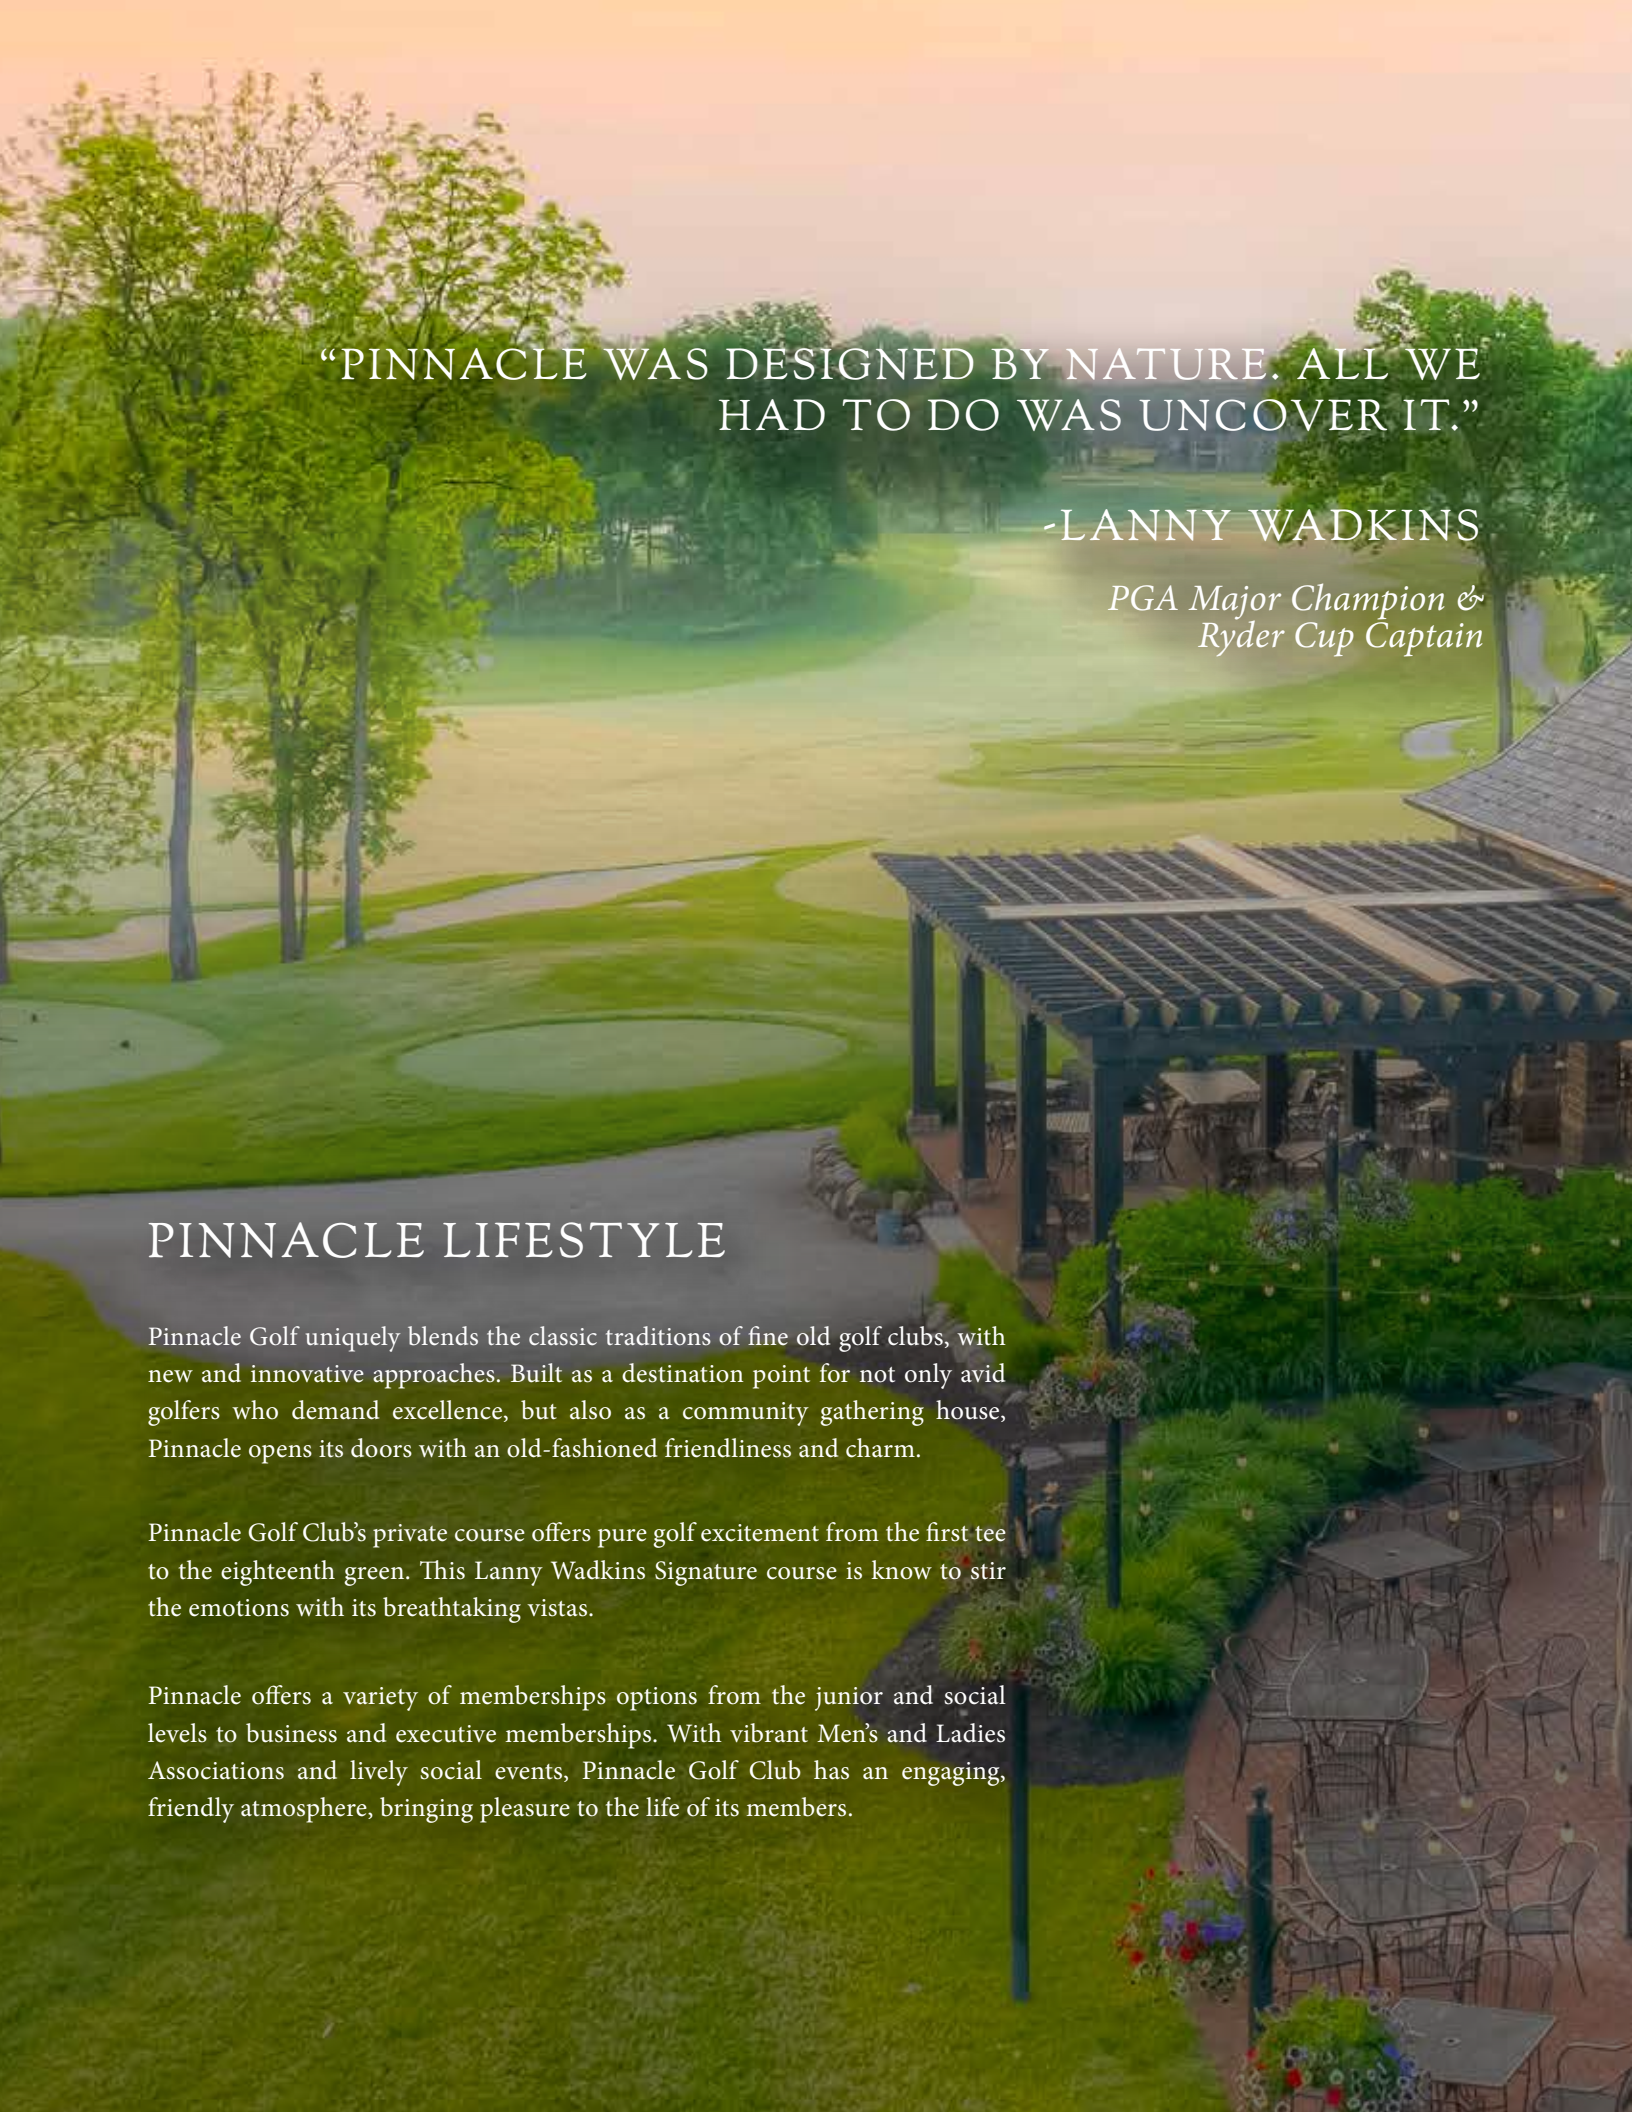

WELCOME TO PINNACLE GOLF CLUB

Thank you for taking the time to learn more about Pinnacle Golf Club. Our Lanny Wadkins Signature Design golf course has quickly received recognition in Central Ohio as the *newly discovered classic*. We are honored to be one of central Ohio's most revered courses, ranked in Golf Digest and Business First. Pinnacle's 18-hole course is nestled in the heart of Grove City and it's natural setting allows our members to enjoy the beauty of Pinnacle's course while playing exceptional golf.

Our Clubhouse is home to Cimi's Bistro at Pinnacle, what many are calling the Finest dining terrace in Central Ohio. Diners relax in the terrace garden, imbued with flowers and hanging baskets as the foreground to a stunning golf course back drop. Rain or shine, seating is available under the sun & stars on the patio or protected from the elements beneath the covered terrace - complete with a patio bar. Indoors or out, there's plenty of room to savor a great meal prepared by Chef John Magnacca and his talented staff, as you take in all of the natural beauty surrounding this one-of-a-kind setting. Our members of Pinnacle Golf Club receive 10% off at Cimi's Bistro.

Pinnacle Golf Club also offers beautiful event space for all your business and social needs. Many private event are showcased within the 6,500 square foot Grand Ballroom that seats up to 400 guests. The Grand Ballroom has magnificent chandeliers and a marble dance floor, which is surrounded by the panoramic views of Pinnacle's golf course. Additionally, Pinnacle offers two more private spaces. Our Loft / Rooftop Terrace offers breathtaking indoor and outdoor events, great for groups ranging from 10-100 guests and our Private Dining Room which accommodates groups of 24.

As Pinnacle moves into it's 20th year, we look back and reflect on the many memories and accomplishments we have to celebrate. We believe that; "*nothing stays the same, everything changes and you either get better or you get worse.*" By private golf club standards, we are still considered a "new course" and our focus is to continue to invest and work to improve. Each year we have taken on new projects to continue this mantra - we have planted and removed trees, added new ponds, waterfalls, tee boxes, the short game facility, and all new green-side capillary bunkers to mention a few. The projects we select each year are done with member influence and participation through the annual improvement fund. In all, the spirit of the Pinnacle Members, together with the soul of the golf course, make Pinnacle!

“PINNACLE WAS DESIGNED BY NATURE. ALL WE
HAD TO DO WAS UNCOVER IT.”

Ryder Cup Captain*
